Registered Charity No.1058389

We are immensely grateful to all our friends, customers and supporters who have contributed so much to our restoration fund over the years since the Curzon was saved by the community in 1996. This support, and our increasing popularity as a venue for film and the arts, has helped us to secure a generous grant from the Heritage Lottery Fund.

## Our aims

The Lottery Award will allow the following work to take place:

- Repairs of the Oak Room windows and the roof at the front of the building, which has been identified as the most badly damaged area.
- Expansion of the foyer into the vacant adjacent shop unit, allowing level access to the box office and the display of some items from the Curzon Collection of historic cinema equipment.
- Opening up the main staircase to the Balcony, which has been boarded up since the early 1970s.
- Development of the main Collection display area in the Gallery. We intend to open the Collection on a daily basis.
- An extensive education and learning programme about film and cinema that will reach all sections of the community.

This is only the beginning. The project requires us to make a substantial financial contribution of our own. We still have much more to do beyond this first stage if we are to restore the Curzon to its full splendour.

We are already installing the amazing Christie cinema pipe organ, and ultimately aim to restore the glorious auditorium and balcony to bring the full cinema experience back to life, as so many people in the community still remember it.

In 2012 the Curzon will celebrate its centenary of continuous cinema operation on the site. By then the cinema will have been given a new lease of life from the work that is now underway.

But to take us forward into the next 100 years - we will need your continuing support.

Hilary Neal  
Chair of the Curzon Board of Trustees
